I AM A TRUCK DRIVER WHO SUBSCRIBES TO XM RADIO, I DEPEND ON TO INFORMATION I RECIEVE ON XM SUCH AS WEATHER AND TRAFFIC TO HELP ME WITH MY JOB. WITHOUT THIS INFORMATION MY JOB BECOMES MORE DIFFICULT AND MORE STRESSFUL. AM AND FM RADIO STATION REALLY DONT HAVE THE QUALITY TRAFFIC AND WEATHER INFO THAT XM HAS. THIS IS A SERVICE THAT I AM GLADLY PAYING FOR AND EXPECT TO GET THE BEST SERVICE FROM. IF AM AND FM STATIONS WANT TO COMPETE WITH XM THEY SHOULD START PROGRAMING WHAT THE PEOPLE WANT TO HEAR NOT WHAT SOME SALES REP. CAN USE TO SELL HIS PRODUCT. WEATHER AND TRAFFIC HAS TO STAY ON XM.
